

LEARN TO SPEAK HORSE!

Ears forward = Curious & Alert

Ears relaxed = Listening to sound from behind

Ears flat back = Territorial protection.

Tail Flicking = Annoyed or Flies
Be careful!

Resting on one leg = Relaxed

Pawing = Impatient

THESE HORSES ARE "TALKING" ...

"Everything's cool ... I'm just relaxin'."

"Alright, alright. I'm going."

"I'm warning you, get out of my way!"

"Hey Bud, keep your nose out of my dinner."

"I'm trying to be brave, but that looks pretty scary to me."

"That's just too scary ... let's get out of here!"

"H'mmm... something over there looks mighty interesting."

"C'mon guys, I can't stand waiting around. Let's get going!"

"Aren't I just the most gorgeous guy you've ever seen?"

... DO YOU UNDERSTAND?
