

Integrative Therapies Introductory Seminar

Thursday, May 19th, 7:00 p.m.

Room 1438, Ontario Veterinary College, Guelph, Ontario

A seminar presentation by Equine Guelph

Timetable:

7:00 – 7:05	Welcome	Gayle Ecker, Director, Equine Guelph
7:05-7:20	From Bloodletting to Evidence-based Medicine	Dr. Brad Hanna, DVM, PhD, Ontario Veterinary College
7:20-8:00	Chiropractic as part of the Health Program	Dr. Scott Hie, D.C. Equine/Human Chiropractor
8:00-8:30	The Science of “Natural” – A Case Study on Mint	Dr. Wendy Pearson, University of Guelph
8:30-9:00	The Role of Massage Therapy	Holly Barnett, REMT CSF, Massage Therapist
9:00-9:35	Supportive Nutritional Therapies for Health	Jackie Vanderbrink, M.Sc. Equine Nutritionist, Master Feeds

This seminar is a memorial tribute to Rosalie Logan from family members to share her love of the horse. Rosalie believed an ounce of prevention was worth a pound of cure and Equine Guelph is pleased to facilitate this educational evening.

Register: Please email jbellamy@uoguelph.ca or phone in to Equine Guelph 519-824-4120 ext. 54205 before May 12th.

Entry by donation kindly requested.
